Degree Requirements

Music Theory and History Requirements

The Music Theory core comprises a four-semester sequence of Materials of Theory concurrently with three semesters of Aural Theory. The Music History core comprises a three-semester sequence of the General History of Western Music. See individual programs for details.

Lessons, Studio Class, Convocation

Music performance instruction on the primary instrument consists of three components each week: a private lesson with the studio instructor (scheduled independently), a studio class with other students on the instrument, and a department-wide recital on Friday (Convocation) with a rotating selection of student performers.

Students are required to participate in an approved performing organization in each semester in which the student is registered for music performance instruction in the major instrument.

Performance Ensembles

Students pursuing a music degree are required to participate in performing organizations during their course of study. Students must be registered in an approved ensemble concurrent with each semester of private study in lessons. Directors make ensemble assignments at the beginning of each semester. Only one approved ensemble credit per semester may apply toward degree requirements. The Department of Music recognizes the following approved ensembles: *Alta Voce*, *Bella Voce*, *Concert Chorale*, *Kameraden Chorus*, *Symphony Band*, *Symphony Orchestra* and *Wind Ensemble*. Other performance ensembles may be approved for music minors, students with provisional admission or in certain degree programs.

Credits from an accredited college/university for performing organizations may be granted for undergraduate students as follows:

- All transfer students to UWM, regardless of entry level, must take at least two semesters of an approved major performing organization. The performing organization must conform to the individual degree requirements: instrumentalists take band or orchestra; vocalists take choral ensembles.
- Entering sophomores with 30 or more earned credits may only transfer up to two completed semesters of an approved performing organization from another university; and
- Entering juniors with 60 or more earned credits may only transfer up to four completed semesters of an approved performing organization from another university.

Advance to Major and Retention

Students declared provisional at the time of auditions can achieve Music major status based on a successful jury performance at the end of the first semester. Students not performing a successful first semester jury will not be allowed to continue as a Music major and will be dropped from

the Music Department. Provisional students must take all required first-semester Music courses during the provisional semester.

Students accepted through auditions who lack basic aural, theory, and/or keyboard skills must successfully complete MUSIC 1 (<https://catalog.uwm.edu/search/?P=MUSIC%201>) and/or MUSPERF 1 (<https://catalog.uwm.edu/search/?P=MUSPERF%201>) in their first year of study. A final grade of B or higher is required to enroll in the subsequent Music Theory and Piano courses.

A Music major who has a studio performance grade of C or lower for two consecutive semesters may be placed on probation. Students then have the opportunity to re-audition or attain a passing grade for the performance lessons. Final jury is attained during the probation semester along with a 2.0+ cumulative GPA.
