Theatre, BFA: Performance

# THEATRE, BFA: PERFORMANCE

## **Overview**

Our BFA in Theatre Performance is designed to provide students with a comprehensive education in all aspects of theatre performance. From exploring the canon of dramatic European literature in fresh and innovative ways to collaborating on new works – you'll gain experience in it all. We prepare you for professional internships and auditions, so you graduate with a wide range of tools to excel in the industry.

### **Acting**

In the Acting concentration, you'll develop your craft through a variety of courses, including acting techniques (including Stanislavski, Meisner and Viewpoints), vocal techniques (including Linklater and Skinner), physical performance and acting for the camera.

Throughout our program, you'll have opportunities to work on a range of productions, from contemporary plays to Shakespearean classics. And that's not just on our own stages. Our students are involved with all of the city's professional theatre companies, including the Milwaukee Repertory Theater, Milwaukee Chamber Theatre, First Stage, Skylight Music Theatre and more.

#### **Musical Theatre**

Combining the three performing disciplines of music, dance and theatre, this concentration trains you to take the triple threat above and beyond. Included in this track are courses in music (voice lessons, theory and musicianship, piano, large and choral/vocal ensembles), dance (ballet, tap, jazz, West African, musical theatre, etc.), and theatre (acting, play analysis, and theatre production).

Our students annually perform in carefully chosen musical productions essential to pre-professional training. That means you'll be in front of an audience throughout your time in the department.

# Requirements Admission Requirements

Undergraduate applicants must meet general University admission requirements (https://catalog.uwm.edu/admission-costs/undergraduate-admission/) in addition to specific program requirements found on the Peck School of the Arts apply page (https://uwm.edu/arts/apply/).

## **Undergraduate Advising**

Academic advising is a collaborative process that empowers students to realize their maximum educational potential. Students are encouraged to visit the Peck School of the Arts Advising & Student Services page (https://uwm.edu/arts/students/advising/) to meet with your advisor prior to each semester's registration period. Advisors provide students with individualized appointments to assist with degree requirements, course selection, campus resources, college success strategies, graduation assessment, academic policies and more.

# **Laptop Requirement**

Preparing for a future defined by digital technology is an important step in developing artists. Our digitally integrated curriculum helps you achieve a professional level with leading art-related software and practices.

Laptop ownership is strongly recommended for *all* students. However, it's required for most majors. For more information, please visit the Peck School of the Arts admission page (https://uwm.edu/arts/apply/).

## **Advance to Major and Retention**

Theatre faculty will assess students' academic and artistic growth through grade reports and/or individual conferences at the end of each semester. All Theatre majors who do not demonstrate a consistent level of artistic and academic improvement while maintaining a 2.5+ GPA overall with a 3.0+ GPA in their program may not advance and may be placed on probation. Failure to demonstrate improvement in subsequent semesters can result in academic probation or being dropped from the program.
