

COMMUNITY ENGAGEMENT AND EDUCATION, BS: EXCEPTIONAL EDUCATION (NON-LICENSURE)

The Exceptional Education (Non-Licensure) submajor in the Community Engagement and Education (CEED) BS program allows students to complete their degrees in a flexible format (online or hybrid) while also completing 12 credits that can be used in pursuing post-baccalaureate K-12 Special Education licensure. The CEED BS program addresses issues of racial and social justice, strategies for supporting students placed at risk in the classroom, approaches for engaging with parents and the community, and much more. The submajor adds content on special education students, methods, teacher collaboration, and literacy. Students who choose not to pursue a subsequent teacher certification are well prepared by the CEED BS with the submajor to serve as paraprofessionals or in other roles in special education and education settings.
