

PEER SUPPORT SPECIALIST, UNDERGRADUATE MICROCREDENTIAL

The three-course, 9-credit Peer Support Specialist microcredential teaches knowledge and skills that are foundational to the peer support specialist role and contributes to the Wisconsin's Certified Peer Specialist credential. The microcredential is also a part of the Advancing Peer Education, Employment, and Recovery Services or A-PEERS. A partnership between the Center for Innovative Transition, Education & Employment (CITEE) at UWM, the Social Work Department at UWM, and Wisconsin Community Services, A-PEERS' goal is to help build and sustain Wisconsin's paraprofessional behavioral health workforce via advanced education and training along with job placement.

Requirements

The microcredential entails three undergraduate social courses:

Code	Title	Credits
Required Courses		
SOC WRK 100	Introduction to Social Work	3
SOC WRK 260	Case Management in Social Work	3
SOC WRK 599	Independent Reading (Classroom and Experiential Field Training)	3
Total Credits		9
